#### **Mui Ne**

Mui Ne means sheltered peninsula and is used as a seasonal harbour by fishermen. This area was previously occupied by the Cham civilization during the 8th centuries and is home to some of the oldest Cham relics in Vietnam. The area is located between mountains, rivers, sand dunes, and the ocean making it more than a seaside destination.

#### **Tipping Guide**

For your leader we recommend \$2 USD a day. For drivers & local guides, we recommend \$1 USD a day. You are under no obligation to tip, this is a guide only.

#### **Wide Eyed Tours Rules**

Illegal drugs will not be tolerated on our trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for Wide Eyed Tours travellers. Wide Eyed Tours philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make our destinations such special places. The exploitation of prostitutes is completely contrary to this philosophy. Our group leader has the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

#### **Responsible Travel**

We believe strongly in low impact or rather positive impact tourism. Broadly speaking this means that we try to minimise the negative aspects of tourism on the local cultures and environments that we visit and highlight the positive aspects.
